Dear Ms. Wils:

The Authorities Budget Office (ABO) is authorized to assist public authorities improve management practices and the procedures by which their activities and financial practices are disclosed to the public. Pursuant to Section 2800 of Public Authorities Law, state and local authorities are to make documents pertaining to their mission, current activities, annual financial reports, budgets and independent audit reports accessible to the public on the authority's official or shared web site. To assist state and local authorities meet their disclosure and reporting obligations, the ABO has issued Policy Guidance No. 10-03: "Posting and Maintaining Reports on Public Authority Web Sites". This guidance provides a checklist of policies, reports and other information that the Authority should maintain online in accordance with the Public Authorities Reform Act of 2009 (Act).

On September 30, 2011 we reviewed the Hudson River Park Trust's (Authority) web site. Our review was limited to verifying that the required information is posted on the Authority's web site. It did not address the substance of these documents. The results of our assessment are attached. We have concluded that the Authority has not made certain required information available on its web site. Please review these findings. Should the Authority need to post additional information to meet the accountability and transparency requirements of Section 2800 of Public Authorities Law, we ask that you do so by November 4, 2011. When done, please provide us with a written confirmation that such actions were taken. You may view Policy Guidance No. 10-03 at www.abo.state.ny.us. Please contact us if you have any additional questions.

Sincerely,
