Clinton Industrial Development Acquisition, LLC	03/12/2012	In March of 2012, the County of Clinton Industrial Development Agency created the Clinton Industrial Acquisition, LLC for the express purpose of acquiring the Chazy Pfizer Research site and facility from Pfizer. There were two primary goals to be accomplished with this acquisition: to maintain the site and facility in caretaker mode for a period of up to two years while a suitable end user is sought and to actively market the facility to potential users who will create new. During March 2012 the LLC completed an application for a \$1.2 Million o/m subsidy from New Your State's Empire State Development to fund the maintenance of the Chazy Research facility and the marketing of the facility. The agency is the sole member and manager of the LLC. In June of 2013, the Agency successfully transferred the property for a nominal fee, to Northstar 41, LLC, a local private development group that is committed to the redevelopment of the site, including the creation of at least 21 new jobs.
