**Additional Comments:**

Authority Related Governance Section question #10: The Corporations Mission Statement was reapproved without change by the Board at its June 23, 2014 Meeting along with its 201314 Measurement Report. Board Related Governance Section question #6: The link entered will provide access to Board and Committee Meetings Minutes that have been adopted by the Board or the pertinent Committee(s). Board Related Governance Section question #11, 15 and 16: The Corporation's Board, officers and employees are uncompensated, and, as such, are subject to the policies and procedures of their employing agency. Board Related Governance Section question #12 Section 2824(5) of the Public Authorities Law expressly prohibits the Board from extending credit to Board Members, officers and staff, it does not, however, require the adoption of policies and procedures with respect to this express statutory prohibition. Board of Directors Listing: The Corporation currently has no Chair, but Robert L. Megna serves as the Corporations ViceChair. Both Marc Shaw and Kevin Murray terms expired on March 17, 2008, however, both are active Board Members in holdover status. The State approved training requirement contained in the Section 2824(2) of the Public Authorities Law applies only to appointed Board Members, therefore this requirement does not apply to LGACs exofficio Board Members. Staff Listing: The Corporation's enabling act includes a provision that in order to reduce its operating expenses the Corporation shall, to the extent practicable, utilize existing employees of the State, hiring its own employees only if the necessary functions of the Corporation cannot be performed without the hiring of such employees. Currently, State officers and employees act as directors, officers and staff of the Corporation and receive no compensation from LGAC for services provided to the Corporation. Additionally, in order to build on preexisting efficiencies, the Corporation has always relied upon State employees to support the functions of the Corporation and has never hired its own employees. Officers or staff provide support to the Corporation on an as needed basis and services provided to the Corporation are in addition to each person's other duties and responsibilities as a State officer or employee. In addition to LGAC's officers, approximately 15 State officers or employees from the Office of the State Comptroller, Division of the Budget and Office of the Attorney General provide core services to the Corporation. Also, other State officers and employees may also provide assistance throughout the year as required. Real Property Questions: The Corporation has not owned any real property since its inception and during fiscal year 201314 the Corporation did not purchase any real property and has stated such in its Annual Report. Summary Financial Statements: During the fiscal year ended March 31, 2014, the Corporation adopted GASB Statement 65 (GASBS 65), Items Previously Reported as Assets and Liabilities. The provisions of GASBS 65 require the writeoff of the unamortized bond issuance costs that existed at the beginning of the earliest period presented; therefore the Corporations beginning net position for April 1, 2012 is restated. This restatement is also reflected in the April 1, 2013 beginning net position.
