Independent Auditors' Report

The Board of Directors of the
City of Peekskill Industrial Development Agency

Report on Financial Statements

We have audited the accompanying statements of net position of the City of Peekskill Industrial Development Agency ("Agency"), a component unit of the City of Peekskill, New York, as of and for the years ended December 31, 2014 and 2013 and the related notes to the financial statements, which collectively comprise the Agency's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

O'CONNOR DAVIES, LLP
500 Mamaroneck Avenue, Suite 301, Harrison, NY 10528 | Tel: 914.381.8900 | Fax: 914.381.8910 | www.odpkf.com

O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Agency, as of December 31, 2014 and 2013 and the respective changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, the Schedule of Bond Issuances and Outstanding Balances and the Schedule of Payments in Lieu of Taxes be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board and other entities, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 7, 2015 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

Report on Other Legal and Regulatory Requirements

We have also issued our report dated February 7, 2015 on our consideration of the Agency's compliance with Section 2925(3)(1) of the New York State Public Authorities Law ("Law"). The purpose of that report is to describe the scope and results of our tests of compliance with the Law.

Management's Discussion and Analysis
Year Ended December 31, 2014

Compliance and Accountability

The City of Peekskill Industrial Development Agency's ("Agency") management is under the direction of the seven appointed members of the Board. Pursuant to Article II, Section 1 and Section 2 of the Agency's bylaws, the Agency's Board members are appointed by the Common Council of the City of Peekskill, New York. The term of office of each Board member of the Agency shall be at the pleasure of the Council, and each Board member shall continue to hold office until his/her successor is appointed and has qualified.

Following the passage of the 2005 Public Authority Accountability Act ("PAAA"), the Agency adopted new by-laws, policies and procedures consistent with the PAAA.

The Agency has established its own financial systems separate from those of the City of Peekskill, New York ("City"). The Agency has an Executive Director who has the general supervision over the administration of the business and affairs of the Agency. He also serves as compliance officer. The Compliance Officer is responsible for insuring that the Agency complies with all financial and other reporting requirements imposed by structure, including those requirements in General Municipal Law and the PAAA. The Agency also appoints a Treasurer, a non-voting member, who has the care and custody of all funds of the Agency and keeps regular books of accounts for all its receipts and expenses. The Treasurer also renders financial reports during each of the Agency's regular meetings.

An Audit Committee of three Board members is responsible for the appointment, compensation and oversight of the public accounting firm. The Audit Committee offers its recommendations to the full Agency for action and/or adoption.

Financial Highlights

Change in Net Position

The change in net position was a decrease of \$25,731 in 2014 compared to the 2013 increase of \$43,585. Operating revenues have decreased \$74,397 primarily as a result of the collection of marina fees and administrative in 2013. Operating expenses have decreased as compared to last year while non-operating revenues have also decreased. The result of this is that cash and equivalents decreased by \$20,005 in 2014.

City of Peekskill Industrial Development Agency
(A Component Unit of the City of Peekskill, New York)

Notes to Financial Statements

Note 1 - Summary of Significant Accounting Policies

The City of Peekskill Industrial Development Agency ("Agency"), a corporate governmental agency constituting a public benefit corporation, was created to assist the City of Peekskill, New York ("City") in financing projects within the City limits that would enhance the social and economic fabric of the City. The Agency is governed by Article 18-A of the General Municipal Law of the State of New York. The Agency is exempt from Federal, State and Local income taxes.

A. Financial Reporting Entity

The Agency has been identified as a component unit of the City. In accordance with the criteria enumerated in Governmental Accounting Standards Board ("GASB") Statement No. 61, the Agency's financial statements have been discretely presented in the City's financial statements.

B. Basis of Accounting

The accounting policies of the Agency conform to generally accepted accounting principles as applicable to governmental units. GASB is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The Agency reports its operations on the accrual basis of accounting. Under the accrual basis of accounting, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. The Agency applies all applicable Financial Accounting Standards Board ("FASB") guidance issued after November 30, 1989 in its accounting and reporting.

C. Assets, Liabilities and Net Position

Cash and Equivalents - Cash and equivalents consist of funds deposited in demand deposit accounts, time deposit accounts and certificates of deposit with maturities of three months or less, at the time of purchase. Collateral is required for these deposits at 100% of all deposits not covered by Federal deposit insurance. The Agency has entered into custodial agreements with the depositories which hold their deposits. These agreements authorize the obligations that may be pledged as collateral. Such obligations include among other instruments, obligations of the United States and its agencies and obligations of the State and its municipal and school district subdivisions.

Custodial credit risk is the risk that in the event of a bank failure, the Agency's deposits may not be returned to it. GASB Statement No. 40 directs that deposits be disclosed as exposed to custodial credit risk if they are not covered by depository insurance and the deposits are either uncollateralized, collateralized by securities held by the pledging financial institution or collateralized by securities held by the pledging financial institution's trust department but not in the Agency's name. The Agency's aggregate bank balances that were not covered by depository insurance were not exposed to custodial credit risk at December 31, 2014.

Account Receivables - Receivables include amounts due from other governments and individuals for services provided by the Agency. Receivables are recorded and revenues recognized as earned or as specific program expenses are incurred. Allowances are recorded as needed.

Property Held for Investment - Land was contributed to the Agency by the County of Westchester, New York. The land is recorded at fair market value as of the date received.

Notes to Financial Statements (Concluded)

Note 1 - Summary of Significant Accounting Policies (Continued)

Net Position - Net position represent the difference between assets and liabilities. Net position is reported as restricted only when there are limitations imposed on its use either through the enabling legislation adopted by the Agency or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. The net position on the Statement of Net Position includes Investment in property of \$308,750. The balance is classified as unrestricted.

D. Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

E. Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is February 7, 2015.

Note 2 - Industrial Revenue Bond Transactions

Certain industrial development revenue bonds issued by the Agency are secured by property which is leased to companies and is retired by lease payments. The bonds are not obligations of the Agency. The Agency does not record the assets or a liability resulting from completed bond issues in its accounts since its primary function is to arrange the financing between the borrowing companies and the bond holders, and funds arising therefrom are controlled by trustees or banks acting as fiscal agents. For providing this service, the Agency receives bond administration fees from the borrowing companies. Such administrative fee income is recognized immediately upon issuance of bonds.

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in Accordance
With Government Auditing Standards**

Independent Auditors' Report

**The Board of Directors of the
City of Peekskill Industrial Development Agency**

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the City of Peekskill Industrial Development Agency ("Agency"), a component unit of the City of Peekskill, New York as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Agency's financial statements, and have issued our report thereon dated February 7, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

O'Connor Davies, LLP

February 7, 2015

**Independent Accountants' Report on Compliance with Section 2925(3)(1)
of the New York State Public Authorities Law**

**The Board of Directors of the
City of Peekskill Industrial Development Agency**

We have examined the City of Peekskill Industrial Development Agency's ("Agency") compliance with Section 2925(3)(1) of the New York State Public Authorities Law and Part 201 of Title Two of the New York Code of Rules and Regulations during the year ended December 31, 2014. Management is responsible for the Agency's compliance with those requirements. Our responsibility is to express an opinion on the Agency's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States and, accordingly, included examining on a test basis evidence supporting the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Agency's compliance with specified requirements.

In our opinion, the Agency complied, in all material respects, with the aforementioned requirements during the year ended December 31, 2014.

This report is intended solely for the information and use of management, the Board of Directors, officials of the City of Peekskill, New York and the Office of the State Comptroller of the State of New York and is not intended to be and should not be used by anyone other than these specified parties.
