To Whom It May Concern:

The Troy Community Land Bank Corporation was a newly formed organization in late 2014. Its first Board of Directors meeting was held November 2014.

As the organization had no cash or physical assets in fiscal year 2014, no audit is necessary for the organization as required by the Public Authorities Law. All other reports have been completed and submitted as required.

Please contact me with any questions regarding the organization.

Sincerely,

Monica Kurzejeski
