To the Board of Directors:

I, Barbara S. There was no financial activity during the fiscal year and there are no assets or liabilities as of December 31, 2015.

I did prepare combined financial statements for the Essex County Industrial Development Agency, Inc. and the Essex County Capital Resource Corporation for the fiscal year ended December 31, 2015. There was not separate category disclosure in the financial statements since the Essex County Capital Resource Corporation had no financial activity.
