INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
St. Lawrence County Industrial Development Agency -
Civic Development Corporation

We have audited the accompanying financial statements of the St. Lawrence County Industrial Development Agency – Civic Development Corporation (SLCIDA-CDC), a State of New York corporate governmental agency, as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the SLCIDA-CDC's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the SLCIDA-CDC as of December 31, 2015 and 2014, and the changes in its financial position, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on Pages 3 through 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise the SLCIDA-CDC's basic financial statements. The schedule of operating expenses on Page 16 is presented for the purpose of additional analysis and is not a required part of the basic financial statements.

The schedule of operating expenses is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of operating expenses is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 3, 2016, on our consideration of the SLCIDA-CDC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the SLCIDA-CDC's internal control over financial reporting and compliance.

USING THIS ANNUAL REPORT

This annual report consists of three parts: Management's Discussion and Analysis, Financial Statements, and other Supplementary Information. The Financial Statements also include notes that explain in more detail some of the information in the financial statements.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the SLCIDA-CDC's basic financial statements. The financial statements of the SLCIDA-CDC report information using accounting methods similar to those used by private-sector companies. These statements provide both long-term and short-term information about the SLCIDA-CDC's overall financial status. The SLCIDA-CDC's basic financial statements include a Statement of Net Position; a Statement of Revenues, Expenses and Changes in Net Position; and a Statement of Cash Flows. The financial statements also include notes that are considered essential to a full understanding of the data that is being presented on the statements.

The *Statements of Net Position* presents information on all of the SLCIDA-CDC's assets, deferred outflows of resources and liabilities and deferred inflows of resources, with the difference between the assets plus deferred outflows of resources less liabilities and deferred inflows of resources reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the SLCIDA-CDC is improving or deteriorating.

The *Statements of Revenues, Expenses and Changes in Net Position* account for all of the current year's revenues and expenses. This statement measures the success of the SLCIDA-CDC's operations over the past year and can be used to determine whether the SLCIDA-CDC has successfully recovered all of its costs. It provides the user with basic financial information about the profitability and credit worthiness.

The *Statement of Cash Flows* provides information about the SLCIDA-CDC's cash receipts and cash payments during the fiscal year. The statement reports cash receipts, cash payments and net changes in cash resulting from operating; noncapital financing; capital and related financing; and investing activities. The purpose of this statement is to tell the user where the SLCIDA-CDC's cash came from, what the cash was used for, and by how much the cash balance changed over the course of the fiscal year.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the financial statements.

Supplemental Information. In addition to the basic financial statements and accompanying notes, this report presents Supplemental Schedules on page 16, which are presented for purposes of additional analysis only.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of St. Lawrence County Industrial Development Agency - Civic Development Corporation (SLCIDA-CDC) have been prepared in conformity with generally accepted accounting principles (GAAP). Those principles are established by the Governmental Accounting Standards Board (GASB) for state and local governments. Certain significant accounting principles and policies utilized by the SLCIDA-CDC are described below.

Reporting Entity

The reporting entity of the SLCIDA-CDC is based on criteria set forth by GASB Statement 14, "The Financial Reporting Entity." The financial reporting entity consists of the primary government, organizations for which the primary government is financially accountable; and other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. The accompanying financial statements present the activities of the SLCIDA-CDC.

Nature of Organization

The SLCIDA-CDC was established on April 13, 2010 pursuant to Section 402 of the Not-for-Profit Corporation Law of the State of New York as a local development corporation under Section 1411 of the Law, for the purpose of, among other things, relieving and reducing unemployment, promoting and providing for additional and maximum employment, bettering and maintaining job opportunities, and lessening the burdens of government and acting in the public interest. The establishment of the SLCIDA-CDC was authorized by St. Lawrence County on April 5, 2010 to support these purposes, and as such the SLCIDA-CDC has the powers to issue bonds, notes, and other obligations for the benefit of not-for-profit entities, considered essential to the continued development, construction, improvement, and operation of projects by not-for-profit entities.

Also, the SLCIDA-CDC is considered a "public authority" of New York State and must submit an annual report to the New York State Authorities Budget Office. The SLCIDA-CDC has one sole member (St. Lawrence County) and a Board of Directors appointed by the County. Those individuals appointed by the County to serve as members of the St. Lawrence County Industrial Development Agency shall automatically become Directors of the SLCIDA-CDC. In addition, the bylaws of the SLCIDA-CDC can be amended by the County, thus establishing its governance and control of the SLCIDA-CDC.

NOTE 1 - SUMMARY OF CERTAIN SIGNIFICANT ACCOUNTING POLICIES (Continued)

Nature of Organization (Continued)

Based on the preceding, a CHAR 410 with Exhibit E requesting exemption under Article 7-A and EPTL as an organization controlled by a government agency has been filed with New York State. The SLCIDA-CDC is exempt from federal, state and local income taxes and exempt from federal reporting requirements under Internal Revenue Procedure 95-48, 1995-2 C.B. 418 as a government unit or affiliate of a governmental unit described in such procedure.

Basis of Accounting

The SLCIDA-CDC's accounting records are maintained on the full accrual basis in conformity with accounting principles generally accepted in the United States of America as applicable to governmental entities. The SLCIDA-CDC accounts for its activities similar to those found in private business enterprises.

Revenues and Expenses

Operating revenues and expenses consist of those revenues and expenses that result from the ongoing principal operations of the SLCIDA-CDC. Operating revenues consist primarily of charges for services.

Cash and Cash Equivalents

For purposes of reporting cash flows, all investments with a maturity of three months or less at the time of purchase are considered to be cash equivalents.

Allowance for Doubtful Accounts

The SLCIDA-CDC has elected not to establish an allowance for doubtful accounts since all receivables are deemed collectible. An allowance will be established when an event occurs in the future that would necessitate a reserve.

Use of Estimates

In preparing the financial statements, management is required to make estimates and assumptions that will affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1 - SUMMARY OF CERTAIN SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The SLCIDA-CDC was determined to be exempt from federal reporting requirements under Internal Revenue Procedure 95-48, 1995-2 C.B. 418 as a government unit or affiliate of a governmental unit described in such procedure. Also, the SLCIDA-CDC is exempt from state income tax reporting requirements under Article 7-A and EPTL.

Accounting principles generally accepted in the United States of America require the SLCIDA-CDC to evaluate all significant tax positions. As of December 31, 2015, the SLCIDA-CDC does not believe that it has taken any positions that would require the recording of any tax liability or tax benefit.

Subsequent Events

Management has reviewed and evaluated all events and transactions from January 1, 2016 through March 3, 2016, the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no events or transactions that existed which would provide additional pertinent information about conditions at the balance sheet date required to be recognized or disclosed in the accompanying financial statements.

NOTE 2 - CASH AND INVESTMENTS

The SLCIDA-CDC's cash and cash equivalents consist of cash on hand, demand deposits, and short-term investments with original maturities of three months or less from date of acquisition. Permissible investments include obligations of the United States Treasury, United States Agencies, repurchase agreements and obligations of New York State or its localities. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
St. Lawrence County Industrial Development Agency –
Civic Development Corporation

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities of the St. Lawrence County Industrial Development Agency – Civic Development Corporation (SLCIDA-CDC), as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the SLCIDA-CDC's basic financial statements, and have issued our report thereon dated March 3, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the SLCIDA-CDC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the SLCIDA-CDC's internal control. Accordingly, we do not express an opinion on the effectiveness of the SLCIDA-CDC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the SLCIDA-CDC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. The report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
