INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Schuyler County Human Services Development Corporation
Watkins Glen, New York

Report on the Financial Statements

We have audited the accompanying financial statements of Schuyler County Human Services Development Corporation (the Corporation), a nonprofit organization, a component unit of the County of Schuyler, New York, which comprise the Statement of Net Position as of December 31, 2016, and the related Statements of Activities and Cash Flows for the year then ended, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Schuyler County Human Services Development Corporation as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters**Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 3-3c be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 13, 2017, on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Schuyler County Human Services Development Corporation's internal control over financial reporting and compliance.

OVERVIEW OF THE BASIC FINANCIAL STATEMENTS

The financial statements of the Corporation have been prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

The basic financial statements consist of a Statement of Net Position, a Statement of Activities, a Statement of Cash Flows, and accompanying notes. These statements provide information on the financial position of the Corporation and the financial activity and results of its operations during the year. A description of these statements follows:

The Statement of Net Position presents information on all of the Corporation's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator as to whether the financial position of the Corporation is improving or deteriorating.

The Statement of Activities presents information showing the change in the Corporation's net position during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of cash flows. Thus, revenues and expenses reported in this statement include all items that will result in cash received or disbursed in future fiscal periods.

SCHUYLER COUNTY HUMAN SERVICES DEVELOPMENT CORPORATION

The decrease in net investment in capital assets is due to depreciation expense. The decrease in bonds payable resulted from principal paid during the year. In addition, bond premium amortizations were recognized. The net amount of depreciation expense recognized and principal paid resulted in a decrease in the net investment in capital assets (deficit).

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED DECEMBER 31, 2016

Our analysis in *Figure 2* considers the operations of the Corporation's activities.

<i>INCREASE IN NET POSITION</i>	\$ 54,931	\$ 51,454	\$ (3,477)

Rent income decreased as the result of a write-off against rental income of stale amounts due from Schuyler County determined to be not owed by the County.

In-kind administrative expense and contributions provided by Schuyler County for employee services decreased as a result of a decrease in time allocated to activities related to the Corporation.

Contractual expenses increased primarily due to a fees required every five years by the Corporation's bank for an arbitrage calculation.

Interest expense decreased because interest expense on debt decreases as principal is reduced each year.

The Corporation follows accounting principles promulgated by the Governmental Accounting Standards Board (GASB). GASB is the accepted standard-setting body for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant of the Corporation's accounting policies are described below.

Organization and Purpose

The Corporation was created in 2006 by the Schuyler County Board of Legislators under the provisions of Section 1411 of the Not-For-Profit Corporation Law of the State of New York for the purpose of encouraging economic growth in Schuyler County. The Corporation is exempt from federal, state, and local income taxes. The Corporation, although established by the Schuyler County Board of Legislators, is a separate entity and operates independently of the County.

- Net Investment in Capital Assets - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- Restricted - Consists of resources with constraints placed on their use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or 2) law through constitutional provisions or enabling legislation.
- Unrestricted - Consists of all other resources that do not meet the definition of "restricted."

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Capital Assets

All capital assets are valued at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized.

Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the estimated useful lives of the assets. Business-type capital assets purchased or acquired with an original cost of over \$5,000 and having a useful life of greater than one year are capitalized. The estimated useful lives for business-type capital assets are as follows:

Buildings and improvements	40 years
Land improvements	20 years

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of
Schuyler County Human Services Development Corporation
Watkins Glen, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Schuyler County Human Services Development Corporation (the Corporation), a nonprofit organization, a component unit of the County of Schuyler, New York, which comprise the Statement of Net Position as of December 31, 2016, and the related Statements of Activities, and Cash Flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 13, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
