Mr. Martin Cantor
Chairman
Suffolk County Judicial Facilities Agency
100 Veterans Memorial Highway
Hauppauge, New York 11788

Dear Mr. Cantor:

In August 2011, the Suffolk County Judicial Facilities Agency received a warning letter that informed the authority it failed to meet the reporting requirements of sections 2800, 2801, and 2802 of Public Authorities Law. In January 2012, the Agency received a second warning that it has failed to meet the reporting.

As of March 5, 2012, the Suffolk County Judicial Facilities Agency remains out of compliance with the public disclosure, reporting and corporate governance provisions of Public Authorities Law. Suffolk County Judicial Facilities Agency has not filed the following reports with this Office:

- Annual Report for fiscal years ending 12/31/2009 and 12/31/2010
- Audit Report for fiscal year ending 12/31/2010

Accordingly, pursuant to its powers under Section 6(2)(f) of Public Authorities Law and Policy Guidance 11-02: "Enforcement Powers of the Authorities Budget Office", issued February 10, 2011, the Authorities Budget Office is sending this official letter of censure to the board of directors of the Suffolk County Judicial Facilities Agency.

As a public authority, the Suffolk County Judicial Facilities Agency is expected to be timely and transparent with its financial reporting and to be accountable to the public. This letter of censure is the result of your collective failure to take appropriate corrective action when the authority was previously warned that it was out of compliance with state law. Those warnings constitute reasonable evidence that the board and the authority's management were made aware of this situation. The fact you continue to ignore your obligations under state law is unacceptable. This continued inaction demonstrates a fundamental misunderstanding of your fiduciary responsibilities and is a serious violation of your duty as a director or officer of this authority.

This letter is being made part of the public record. Disclosure of this delinquency and letter of censure may be required by federal securities law, should the authority finance debt in the future. Furthermore, should the board of directors and the chief executive officer fail to bring the Suffolk County Judicial Facilities Agency into compliance, the Authorities Budget Office may

take additional steps, including initiating legal action, to access the records, books, and financial documents of the Authority, and/or recommending the removal of the board of directors.

Sincerely,

David Kidera
