Annual Report Instructions

Section 2800 of the Public Authorities Law and Sections 30 and 859 of the General Municipal Law require public Authorities to file an Annual Report that includes information on their operations, finances, indebtedness, compensation and benefits, property transactions, internal controls and other management activities, policies and governance practices.

The Annual Report tab should also be used to submit information required by Sections 2806 (Personnel Schedule) and 2896 (Property Report) as well as any additional information requested by ABO and/or OSC.

To enter this information, select from the menu on the left.

The required information can be entered and saved, but the Authority is not considered to be in compliance until the CEO, CFO or another designated official acknowledges that the information contained in this submission is complete and accurate.

To submit this information, select and complete the Annual Report Submittal link.
