College of Saint Rose ("CSR") pursuant to, and in accordance with CSR's voluntary bankruptcy filing of October 10, 2024 in the United States Bankruptcy Court for the Northern District of New York.

1. Description of the Parties involved in the Property Transaction:

Seller: Albany County Pine Hills Land Authority
Buyer: Albany County

2. Justification for Disposing of Property by Negotiation:

ACPHLA is a public benefit corporation (and local public authority) established pursuant to Title 28-C of the Public Authorities Law as set out in Chapter 168 of the Laws of 2024 of the State of New York ("Enabling Legislation"). The Enabling Legislation provides that ACPHLA's mission/purposes shall be to: (i) promote accessible, efficient and economically productive use of the facilities; (b) acquire, construct, reconstruct, continue, develop, equip, expand, improve, maintain, finance, and operate the college of Saint Rose facilities and services within the county of Albany; (c) stimulate and promote economic development; and (d) make contracts and leases and to execute all instruments necessary or convenient for its corporate purposes (the "Purposes"). *See* PAL §2676-a(5). The Enabling Legislation further provides that all such Purposes are "in all respects public purposes for the benefit of the people of the state of New York". *See* PAL §2676-a(6). ACPHLA is also specifically authorized by its Enabling Legislation "to sell, convey, mortgage, lease, pledge, exchange, or otherwise dispose of any such property in such manner as the authority may determine". *See* PAL §2676-f(5). The Enabling Legislation also provides that "[t]he acquisition, construction, reconstruction, development, expansion, improvement, equipping, operation and maintenance of any project financed or undertaken by the authority or the county shall be deemed to be the performance of an essential governmental function by the authority or the county acting in its governmental capacity, whether such project shall be owned or operated by the authority or by any person or public corporation." *See* PAL §2676-a(6).

Beyond the specific language cited above from the Enabling Legislation providing that the proposed disposition is within the purpose, mission or governing statute of ACPHLA, it should also be noted that Albany County is explicitly referenced in various locations throughout the Enabling Legislation, and County is provided with significant legislative authority related to the mission and purpose of ACPHLA. Additionally, on March 1, 2025, the County and ACPHLA entered into both a "Financing Agreement" and "Funding Agreement". Pursuant to the "Financing Agreement," Albany County agreed to make all payments owed by ACPHLA on the ACPHLA-issued bonds used to purchase all of the former CSR properties, and pursuant to the "Funding Agreement," Albany County agreed to fund all of the operating costs and expenses of ACPHLA.
