

Public Authorities That Have Failed to File Reports in the Public Authorities Reporting Information System as of February 4, 2019

Pursuant to Section 2800 of Public Authorities Law, public authorities are required to file an annual report and audit report within 90 days of the fiscal year end (FYE). In accordance with Section 2801 of this Law, State authorities must submit a budget report 90 days prior to the start of the fiscal year; local authorities must file a budget report 60 days prior to the start of the fiscal year. The following authorities have failed to satisfy one or more of these requirements. The delinquent report(s) are identified by the date the report was due.

The Authorities Budget Office has the authority to "publically warn and censure authorities for non-compliance" with this requirement and to recommend the "suspension or dismissal of officers or directors, based on information that is, or is made, available to the public under law."

This report constitutes an official warning to those authorities that appear on this list.
