Tobacco Settlement Financing Corporation
641 Lexington Avenue
New York, New York 12345

Dear Mr. Rubin:

The Authorities Budget Office (ABO) is authorized to assist public authorities improve management practices and the procedures by which their activities and financial practices are disclosed to the public. Pursuant to Section 2800 of Public Authorities Law, state and local authorities are to make documents pertaining to their mission, current activities, annual financial reports, budgets and independent audit reports accessible to the public on the authority's official or shared web site. To assist state and local authorities meet their disclosure and reporting obligations, the ABO has issued Policy Guidance No. 10-03: "Posting and Maintaining Reports on Public Authority Web Sites." This guidance provides a checklist of policies, reports and other information that the Authority should maintain online in accordance with the Public Authorities Reform Act of 2009 (Act).

Between November 16 and December 22, 2015 we reviewed the Tobacco Settlement Financing Corporation's (Authority) website. Our review was limited to verifying that the required information is being posted on the Authority's web site. It did not address the substance of these documents. Our review focused on data for the fiscal year ended October 31, 2014. We found that the Authority has posted most of the required financial and operating information on its web site. To further improve the transparency of the Authority's web site we recommend you review our findings, which are attached, so that all information required under Section 2800 of Public Authorities Law is available online and easily accessible to the public. Please provide us with a written confirmation that you have fully addressed these concerns by January 22, 2016. You may view Policy Guidance No. 10-03 at www.abo.ny.gov. Please contact us if you have any additional questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Farrar', written over a horizontal line.
